Introduction

The Rajasthani Diaspora comprising Non- Resident Rajasthanis traces its origin to the historical periods of migration influenced by factors like foreign intervention, trade and commerce, and business opportunities that connected Rajasthan with different parts of the world.These individuals ventured beyond the borders of Rajasthan carrying with them the values, vibrant culture and enduring spirit of Rajasthan. Over the years, NRRs have made remarkable achievements in diverse fields such as Business, Education, Arts, Science, Public service and more, while maintaining a deep and lasting connection to Rajasthan.

As this global community continues to grow, so does the need for a structured and meaningful way to stay connected. NRRs often seek opportunities to contribute to the development of their home State. At the same time, they also look for support, recognition and a sense of belonging.

To acknowledge the need for a sustainable and meaningful connection with the NRRs, the GoR had set up a dedicated organization, 'Rajasthan Foundation in March 2001 under the Rajasthan Societies Registration Act, 1958. The objectives of RF are to strengthen the participation of the Rajasthani Diaspora in the development of the State, facilitating a process of continuous communication and interaction, organizing cultural and educational initiatives, and promoting the well-being of NRRs. It also acts as a bridge between the State Government and NRRs, including their Associations in India and abroad.

Rajasthan Foundation currently operates through its 26 active chapters- 12 international and 14 domestic, reflecting its growing global presence and community outreach. At places wherever there is good presence of Pravasi Rajasthanis, more chapters will be established in times to come.

For providing better linkages & support to NRRs and accelerating their contributions to Rajasthan, State Govt. has recently formed a dedicated department for NRRs- Department of Domestic & Overseas Rajasthani Affairs (DORA).

The NRR Policy 2025 reflects the continuing commitment of the GoR in making strategies and initiatives related to the diaspora that are mutually beneficial. It is designed to meet the evolving aspirations of NRRs, offering them meaningful ways to stay connected with their roots while contributing to the State's development journey.

Objectives of the NRR Policy

I. To build and maintain strong social, cultural and economic ties with NRRs by creating a supportive environment fortheir contribution in investment, trade, knowledge sharing, research and philanthropy.

II. To build and strengthen a Global Rajasthani Community, reconnect NRRs to their roots, and maintain a strong sense of belonging to the Rajasthani identity through regular cultural and community activities.

III. To recognize and honour the achievements of NRRs in their respective fields, and the work done for the development and welfare of their homeland, Rajasthan.

IV. TohelpandsupportNRRsthrougheffectivegrievanceredressalmechanismsandimprovedcoordination with relevant authorities in the GoR, GoI and Indian Missions overseas.

Title & Commencement

I. This policy shall be titled as **"Non-Resident Rajasthani Policy of Rajasthan2025"**.

II. The policy shall come into effect from the date of its notification in the Official Gazette and shall remain in force until it is amended, superseded or quashed by the State Government.

Policy Pillars

The pillars emphasize a comprehensive and strategic approach of the NRR policy, focusing on achieving objectives, building connections, celebrating contributions, driving initiatives and ensuring support for NRRs. To further institutionalize the effort, a dedicated State Government Department shall be set up to serve as the central coordinating framework to facilitate the goals outlined in the policy and implement initiatives under each of the following five strategic pillars:

I. **Accelerate:** The pillar focuses specially on creating an ecosystem that facilitates NRRs' investments, making it easier for them to find business opportunities, connect with Government Departments and get support for their ideas for the overall economic development of the State.

II. **Bridge:**The pillar facilitates a link between Rajasthan and its global diaspora to build a lasting connection with NRRs through a Dynamic Outreach Program using social media, newsletters, livestreams, conclaves and events.

III. **Celebrate**: The pillar preserves and promotes rich Rajasthani culture, heritage and art with NRRs through vibrant festivals, exhibitions, cultural and educational initiatives. It aims to celebrate and honour the achievements of NRRs in their present country and in Rajasthan.

IV. **Drive**: The pillar mobilizes the Rajasthani Diaspora to contribute specifically to Rajasthan's socio-economic development through philanthropic activities in areas such as Infrastructure development, education, healthcare, Tourism, Art and Culture, environment protection, community building and other social services, thereby leveraging local initiatives.

V. **Ensure**: The pillar prioritizes providing assistance to NRRs through Grievance Redressal Platforms, support systems and responsive administration.

1. Pillar 1: Accelerate

A. NRR Investment Facilitation

This initiative aims to mobilize the investment potential of NRRs by promoting a supportive ecosystem for trade and infrastructure development in the State. Through strategic partnerships, streamlined facilitation and targeted outreach, the RF seeks to attract and sustain diaspora-led investments across key sectors. RF shall:

I. Focus on promoting investment opportunities in Rajasthan across key sectors by leveraging the global network of NRRs for lead generation and investor engagement, while organizing networking events to connect NRR investors with local businesses and Government Departments.

II. Interact with active RF Chapters/ NRR Associations, which operate in various Indian states and internationally, for information exchange, business partnerships and bilateral trading relationships.

III. Organize Knowledge Series with NRRs in collaboration with different Government Departments/ institutions to promote various schemes and policies of the State Government.

IV. To highlight the benefits and success stories of NRR investment in Rajasthan at various platforms and through social media.

V. Establish a dedicated NRR Investment Facilitation Cell within the Department of Domestic & Overseas Rajasthani Affairs, staffed with 'Investment Liaison Officers' responsible for end-to-end coordination with NRRs for their investment-related activities. This Cell shall organize physical and virtual Pravasi Meets for the generation of leads, develop a follow-up mechanism to track investment proposals and engage proactively with the Bureau of Investment Promotion and relevant State Government Departments to ensure timely resolution of investor issues and seamless facilitation.

VI. Coordinate with both overseas and Indian RF Chapters to appoint 'Investment Coordinators' who will actively identify and share investment leads with the RF and also facilitate the investors with knowledge of operational schemes/ policies of GoR to promote investment in the State.

VII. Promote the establishment of NRR Investment Advisory Councils within RF Chapters, comprising sectoral experts and business leaders from the diaspora. These Councils shall serve as strategic think tanks, producing actionable insights, sector-specific investment roadmaps and policy recommendations. RF will organize focused interactions with these Councils and ensure that key recommendations are shared with relevant Government Departments.

VIII. Leverage the global Rajasthani diaspora's domain expertise and networks to guide early-stage and growth-stage startups in Rajasthan through 'Global Expertise for Local Innovation', in coordination with Department of Information Technology and Communication.

IX. Enable Rajasthan startups to access international markets through diaspora-supported entry point.

X. Encourage diaspora investment for startups across sectors like Agri & Food Processing, Auto & Auto Components, Chemicals & Petrochemicals, Education & Skill, Electronic System Design & Manufacturing (ESDM), Gems & Jewellery, Glass & Ceramics, Handlooms& Handicrafts, IT & ITeS, Logistics & Warehousing, Mines & Minerals, Renewable Energy, Textiles, Tourism etc.
